

This guide accompanies the compact disc, **To the Castle**, which contains all music tracks for reference and performance purposes.

**Composer/Dramatist** Jay Beech  
**Director's Guide Writers** Catherine Malotky, Bob Sitze, Jay Beech  
**Designer** Kathryn Brewer, Brewer Communications, Inc.

## PERMISSIONS

**To the Castle** audio CD, script, piano score, wind instrument parts, and all other sections of this book © 2001 Jay Beech.

Permission is granted to the original purchaser of this product to reprint the contents as needed in order to stage a production in a congregational context. This product may not be sold, given, or loaned to any other congregation, organization, or individual, nor may the above rights be transferred.

This permission does not include the rights to make copies of the audio CD or distribute digital files such as MP3s of the songs. Such distribution would include, but is not limited to, copies on CDs, DVDs, or jump drives, and posting files for listening or download on the internet or any other computer network.

Permission to copy and distribute the audio CD and related files can be obtained from [Baytone Music](http://Baytone Music) for a very nominal fee by contacting them at [info@baytonemusic.com](mailto:info@baytonemusic.com) or by calling (218) 291-1386.

This musical was originally developed in cooperation with the Stewardship Office of the Division for Congregational Ministries, Evangelical Lutheran Church in America.
